Entice

What draws the person to start an import?

Enter

How do they begin the process?

Engage

What happens during the core process?

Exit

How does the process finish?

Extend

What happens afterwards?

Steps

What does the person do during each stage?

Receive new hire list

Spot manual-entry backlog

Open ServiceNow

Create Data Source

Load into Import Set

Create Transform Map

Run transform

Check inserted and updated counts

Document the process

Repeat for new sheets

Attach .xlsx file

Map Fields

Set Employee ID coalesce

Plan scheduled import

Interactions

Who or what do they interact with?

Email from HR

Data Sources module

Import Set table

Transform Map form

Transform history

Import logs

Goals & motivations

What is the person trying to achieve?

Get data in without retyping

Stage the file safely

Map columns to Employee fields correctly

Finish with no duplicates

Reuse the setup every month

Positive moments

What feels easy or rewarding?

Clear request

Sheet loads first try

Auto-map suggests fields

Counts match the sheet

Re-import updates cleanly

Negative moments

What feels slow or confusing?

Tight deadline

Header names do not match

Unmapped column, many options

Skipped rows need review

Manual upload every time

Areas of opportunity

What could we improve?

Offer an import template

Provide a sample spreadsheet

Checklist of required fields

Highlight skipped rows

Schedule imports
